➢ ANALYST/PYTHON/SQL DEVLOPER

In quest of a challenging position in an eminent organization that offers me generous opportunities to explore & outshine while accomplishing personal as well as organizational goals

➢ PROFILE

Motivated, diligent, and responsible graduate seeking an opportunity to work as a Data analyst/Business analyst/SQL/Python Developer. A certified with a background in Data analytics. The ability to interpret, analyze, and present findings using a variety of analytical tools. I enjoy using Microsoft programs and analytics software such as Tableau, BI Tools, Microsoft Excel, and Microsoft SQL, Microsoft Word.

➢ SKILL SETS

✓ **ADVANCED EXCEL –** https://github.com/Anikethendre21/My-Projects/blob/main/Project%202%20with%20excel.xlsx

Excel is an excellent software for handling small amounts of data. Because of this, I'm done with my Excel course. In excel I'm proficient in **Pivot Tables, Pivot Charts, VLOOKUP, Hlookup, Visualization**, and **Dashboards.**

PROJECT - **ECOMMERS SALES & ANALYSIS DASHBOARD**

✓ **SQL -** https://github.com/Anikethendre21/PortfolioProjects/blob/main/My%20project%20060123.sql

It is very helpful to retrieve large amounts of data using Structured Query Language (SQL). My SQL Skill help me in **Read, Write, Sort, Group, Joins, Unions, Subqueries, Windows Functions, Nested, PL/SQL** and Others Functions.

PROJECT – **COVIDDEATH ANALYSIS**

✓ **Python -** https://github.com/Anikethendre21/My-Projects/blob/main/Spotify%20Data.ipynb

These skills help me with Data Cleaning, Data Processing, Data Visualizations processes, handling, and processing data. **Data Read, Writing, Data Processing, Data Cleaning, and Data Visualization, Data Wrangling, Web Scraping** with the help of **NumPy, Pandas, Matplotlib, Seaborn** are all part of the Python skillsets.

PROJECT – **Spotify Data.py**
PROJECT – **Movies Revenue.py**

✓ **Tableau-** https://github.com/Anikethendre21/My-Projects/blob/main/hr%20dashboard.twb

Visualizing critical things is much easier with Tableau. I am proficient in creating all types Of Charts, Calculating Fields, Creating Groups, Bins, Aliases, Sorting Data, **Creating Cool Dashboards and Data Analysing** in Tableau

Project – **Hr Dashboard.**
Project – **Coviddeath Analysis**
Project – **Spotify Data**

Additionally, I have good knowledge of the **R Language** (beginner), as well as I am familiar with **Google Workspaces**. I am a **good learner**. I am always looking for innovative things to **learn**. I am always willing to take on **leadership** responsibilities, **ethics** are important to me, and I prefer to work **collaboratively**.

➢ ACADEMIA

- **Bachelor Degree** – New art's Commerce and Science collage, Ahmednagar – 41411
- **HSC** (MCVC Vocational Degree) Computer and Technology – SMDMMK Collage Kalamb, Osmanabad – 413507
- **SSC** – Sum Pharma Secondary and High Secondary High – School, Nagapur, Ahmednagar – 414111
- **Post-Graduation - Appaired**

Additionally, I am taking **MBA** courses. This is my **master's degree in computer and technology**. As a result of this degree, I will complete my educational qualification and certification in computer technology.

➢ CERTIFICATION

Basics of Data Analytics: - https://mycourse.app/ypcUMAFNyTLouKER7

business analytics with excel: - Certificate code: 3788447

Foundations: Data, everywhere: - https://coursera.org/verify/RBM G4BTQLAJ5

Data Analysis with R Programming: - https://coursera.org/verify/DRPJULG7YP7G

US **DAVIS**   Fundamentals of Visualization with Tableau: - https://coursera.org/verify/V56HNPTDSAWR

Google Data Analytics: - https://coursera.org/verify/V56HNPTDSAWR

I'm also done Application of Data Analysis in Business with R, Introduction to excel, Introduction to Data Analytics, make data driven decisions, Process Data from Dirty to Clean, Art of Visualization Ex. Certification with help of google, LinkedIn, skill up, US Davis, Coursera, Udemy and YouTube.

➢ Software Proficiency

Operating Systems	MS Windows 7/ 10/ 11
Programming Languages	Python, R
Reporting	Data Reports
Databases	MS SQL Server,MYSQL
Software	Tableau, Power BI

➢ PERSONAL INFORMATION

Date of Birth: 06th Jun 2000
Languages Known: English, Marathi and Hindi
Marital Status: Unmarried
References: Available on Request

➢ SELF PROJECTS

- Ecommerce Sales & Analysis (https://github.com/Anikethendre21/My-Projects/blob/main/Project%202%20with%20excel.xlsx)
- Employee Info (HR Analysis) Project With Tableau. (https://github.com/Anikethendre21/My-rojects/blob/main/hr%20dashboard.twb)
- Covid Analysis Project With Tableau.
- Spotify Data with python and Tableau .(https://github.com/Anikethendre21/My-Projects/blob/main/Spotify%20Data.ipynb)
